The following is an examiner's statement of reasons for allowance: Applicants' newly received Affidavits (see the Table of the Declaration) clearly establish the criticality of applicants' claimed polyolefin copolymer resin particle size.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

A handwritten signature in black ink, appearing to read "Bruce Hess", with a stylized flourish at the end.
